  - a. Under the Pre-pay plan, a monthly assessment of \$85 each for 9-hole member or \$140 each for 18-hole member will be charged to the credit card on file on or about the 1<sup>st</sup> day of each month when the credit balance is below \$50, or

For members enrolled in the Pre-pay cart plan, credit balances will roll over to the next month, each month, except at the end of December. A balance due of \$50 or above at the end of any month will be charged to the credit card on file. A balance due of *any* amount on December 31<sup>st</sup> will be charged to the credit card on file. Any credit on the account on December 31<sup>st</sup> will be forfeited.

Members using their charge privileges for merchandise or food & beverage will be assessed these charges monthly to the credit card on file.

Statements will be emailed monthly to all "Pre-pay" members with their current account balance (positive or negative). Members have the option to add an additional amount to their account or pay their balance due at any time.
